Specifically you seek objections to both classified and unclassified data gathering programs, redacting or omitting portions of complaints that include properly classified information while including the substance of the objections touching on non-operational details and formal and informal complaints, as well as contacts by corporate legal advisors seeking the cessation, restriction, adjustment, or other modifications of such programs. This office received your request on July 17, 2013.

Upon initial review of your request, I have determined that the information you are seeking is under the purview of the Federal Law Enforcement Training Center (FLETC). Therefore, I am referring your request to the FOIA Officer for FLETC, Leslie Jensen, for processing and direct response to you. You may contact that office in writing at Federal Law Enforcement Training Center; Freedom of Information Act Officer; Building #681, Suite 187B; Glynco, GA 31524 or via telephone at 912-267-3103.
